

# Ghid de utilizare pentru Webex (varianta gratuita)

**Scopul** acestui document este de a prezenta pasii de urmat de catre supervisori (profesori, instructori, etc.) (Pasii 1-14) si de catre participanti (parinti, elevi, angajati) (Pasul 15) pentru a porni un sistem de colaborare de la distanta bazat pe CISCO Webex.

## Pasi de urmat de catre supervisor

**Pasul 1:** Deschideti un browser de pe un dispozitiv conectat la Internet

**Pasul 2:** Introduceti adresa: <https://www.webex.com/webexremoteedu.html> si apasati tasta Enter.

Pasul 3: Apasati pe butonul "Sign up for free".

Schools and higher education institutions are facing unprecedented needs to close their physical classrooms, due to circumstances resulting from COVID-19 (coronavirus disease). We're here to keep your classrooms connected, so learning doesn't have to stop.

You'll find content to support teachers and faculty to teach remotely, student and parent guides, and resources for IT to rapidly plan, deploy, and onboard users.

Pasul 4: Introduceti adresa de email in casuta "Email address" si apoi apasati butonul "Sign up" din dreapta. Browser-ul va afisa o pagina care solicita un cod de activare

Sign up free, it's quick.

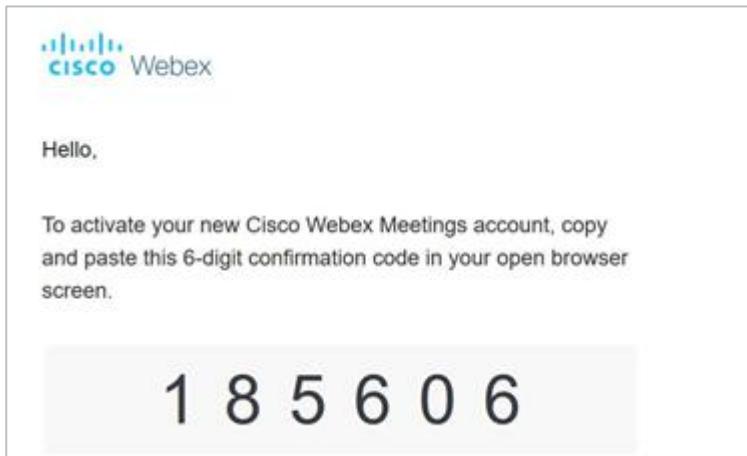

No credit card needed. No commitment.

Your free Webex Meetings plan gives you meetings with 100 participants, HD video, screen sharing, and a personal room. Use it as long as you like.

Pasul 5: Verificati casuta postala si deschideti email-ul venit de la Cisco Webex. Acest email contine codul de activare cerut in pagina de web (la pasul anterior). Daca nu ati primit email-ul verificati in SPAM, Important Messages, etc

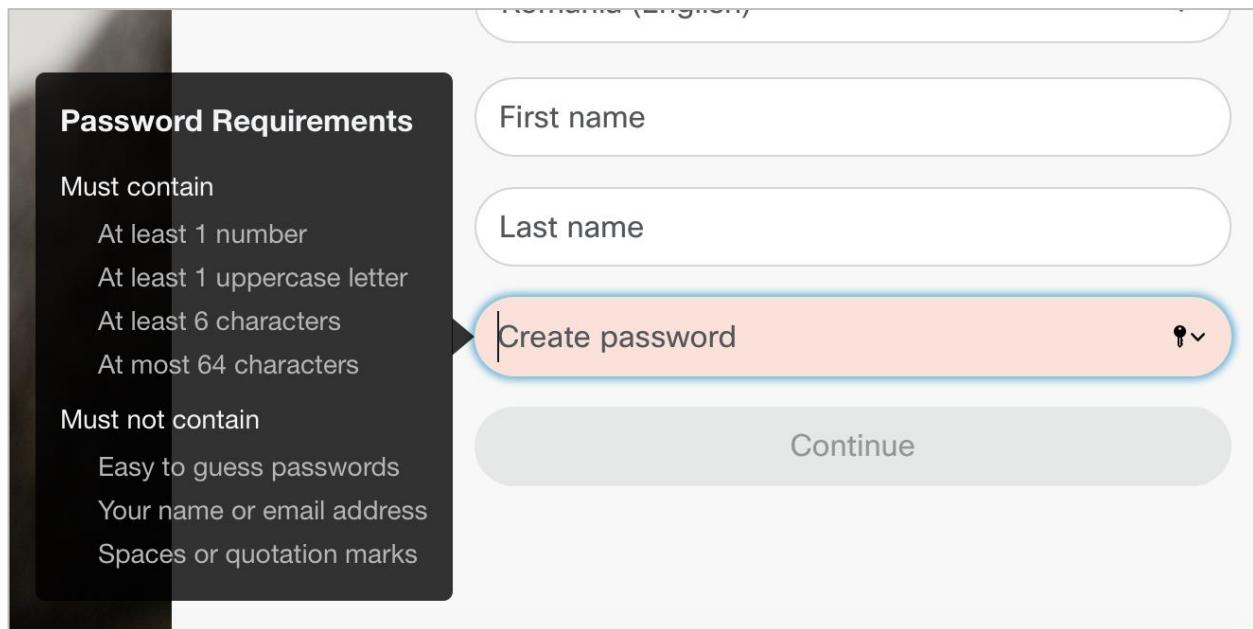

**Pasul 6:** Deschideti email-ul si notati codul de activare.

**Pasul 7:** Mergeti inapoi la browser si introduceti codul de activare (primit pe email). Browserul va afisa pagina de mai jos:

**Pasul 8:** Alegeți tara "Romania" (neaparat), introduceti "Nume", "Prenume" si parola (care trebuie sa contine cel putin o litera mare, un numar). De asemenea parola trebuie sa aiba cel putin 6 caractere.

The screenshot shows a registration form for Cisco Webex. On the left, a sidebar titled "Password Requirements" lists rules for creating a password. It says "Must contain" (At least 1 number, At least 1 uppercase letter, At least 6 characters, At most 64 characters) and "Must not contain" (Easy to guess passwords, Your name or email address, Spaces or quotation marks). To the right, there are fields for "First name" and "Last name", both empty. Below them is a large input field for "Create password", which is currently empty and highlighted with a light orange color. To the right of this field is a small icon of a key with a dropdown arrow. At the bottom right is a grey "Continue" button.

**Important:** Retineti parola (pentru conectari viitoare in sistem). Dupa ce ati tastat parola apasati "Continue".

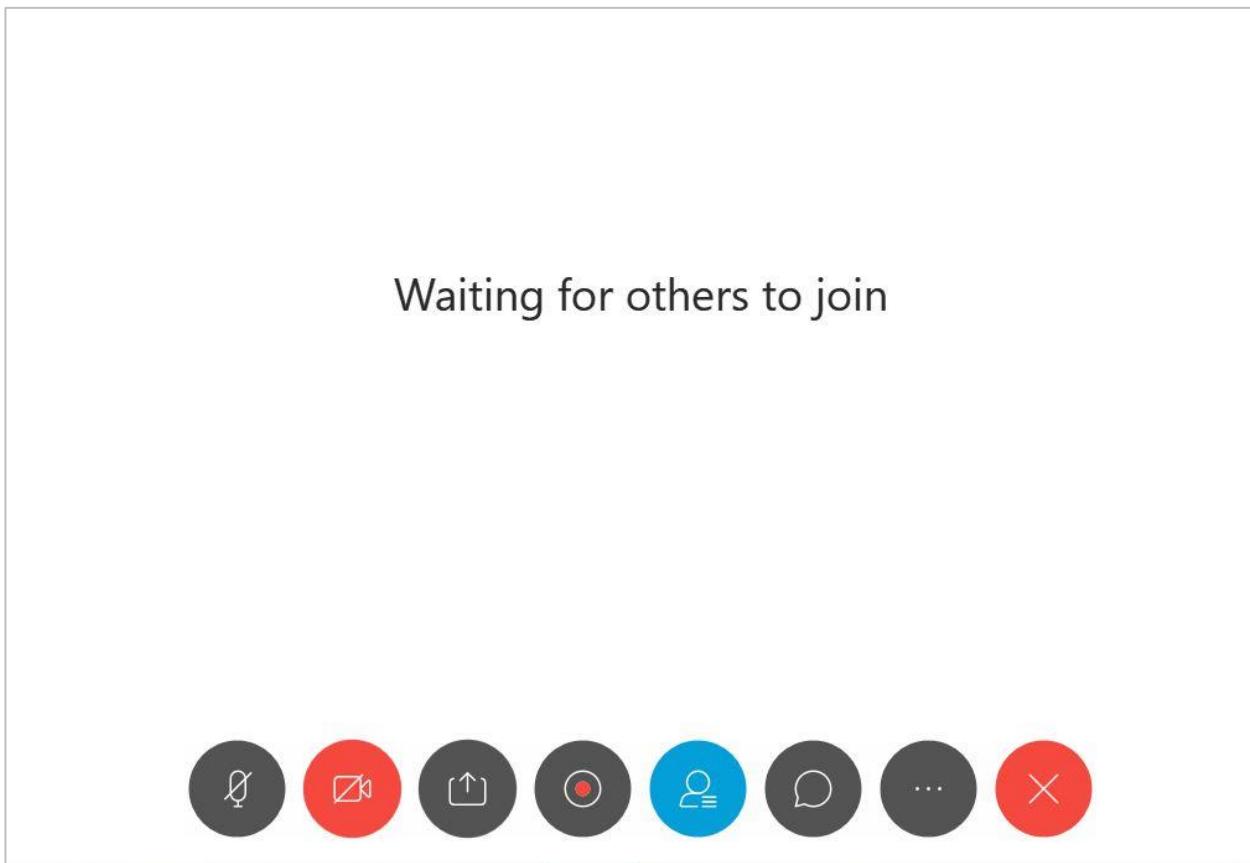

**Pasul 9:** Asteptati pana cand CISCO Webex construieste contul si sistemul de e-learning. Daca primiti un mesaj de eroare apasati din nou pe "Sign In".

Pasii de mai sus sunt exemplificati in tutorialul video "Pasul 1 - Cum creez cont.mp4" ce poate fi accesat la linkul :
